19) Please see Secretary's opinion above. I consider in case that a Municipal Council should have power to grant such allowance. Grades reasonable to the servants & would be unwise & unjustifiable to interfere unless the proposal is extravagant. This is not the case here.

20) Put Secretary's note

21) I agree in the above. In my view. At the same time it is undesirable that the rate allowed by Municipal Councils should be more than what Govt allow. The desirability of reducing the rate of Rs/8 may be considered by the Council. Rs/8 is a substantial allowance for keeping a bicycle. In Madras the rate given is only Rs 5 (Five Rupees) per mensem.
